Multi-Purpose Cleaner

Concentrated Refill (Foam Spray)

The only solution for all dirt in the house: Miel Foam Multi-Purpose Cleaner! It provides high performance with its natural cleaning power on oil, dirt, lime and all surfaces.

AREAS OF USAGE:

It can be used safely in cleaning oil, dirt and lime. Taps, aluminum, stainless steel, furniture, walls, PVC windows and sports shoes, stove, hood, aspirator, faucet, sink, shower cabin, kitchen countertop, kitchen cabinets, marble, tile and ceramic surfaces.

-  **Plant Based Ingredient**
-  **High Performance**
-  **Fragrance and Colorant Free**

-  **%90 Less Plastic**
-  **90% Lower Logistics and Storage**
-  **90% Lower Carbon Footprint**
-  **50% More Economical**

100 ml

The box includes concentrated cleaner for diluting in your own spray bottle and a bottle label you can stick on your spray bottle.

A 100 ml bottle of concentrated cleaner makes a total of 1500 ml of spray cleaner. Alternatively, you can use a 750 ml bottle twice. (There is a 50ml mark on the bottle.)

Pour the concentrated liquid into your own spray bottle, add water and it's ready to use!

1 Bottle = 1500 ml Cleaner

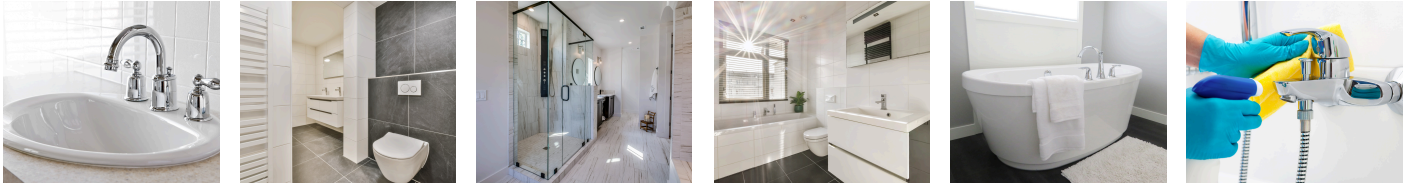

Bathroom Cleaner

Limescale Remover

Concentrated Refill (Foam Spray)

Miel Foam bathroom cleaner effortlessly dissolves limescale, soap residue and dirt, providing a fresh and hygienic shine.

AREAS OF USAGE:

It effectively and quickly cleans lime residues, stubborn stains, deposits in the bathroom and eliminates difficult dirt. Areas of use include shower cabins, shower heads, sinks, taps, toilets and bathtubs, tile and ceramic bathroom surfaces, glassware and surfaces.

-  **Plant Based Ingredient**

Self - Dosing
Bottle**

1:240 Concentration

DIRECTIONS FOR USE & FEATURES

Washing Tank Application (1:240): Only 250 ml of product is sufficient for a 60-liter pressurized foam tank. Provides an average of 200 vehicle washes with a single 5-liter container.

Smart Dosage (Manual & Bucket): Delivers professional cleaning with an average usage of only 25-30 ml per vehicle in manual foam lances or bucket washes.

Paint & Coating Friendly: With its **pH-neutral (7.0 \pm 0.5) balance**, it does not abrade ceramic coatings, PPF (paint protection film), wax, or sealant layers on the vehicle.

Non-Toxic & Plant-Based Power: Contains no Caustic, LABSA, SLS, SLES, or harsh solvents. Compatible with plastic, rubber, chrome, and trim components.
